Financial Claims Scheme

The Financial Claims Scheme (FCS) protects depositors through the provision of a guarantee on deposits (up to the cap) held in authorised deposit-taking institutions (ADIs) incorporated in Australia and allows quick access to their deposits if an ADI becomes insolvent.

The Credit Union is an ADI. Depositors with a credit union may be entitled to receive a payment from the Financial Claims Scheme subject to a limit per depositor.

What Is The Warwick Credit Union Account And Access Facility?

Our Account and Access Facility is a facility that gives you transaction, savings and term deposit accounts as well as these facilities for accessing accounts:

- Visa Card
- Customer chequing
- Osko Payments
- BPAY® (registered to BPay Pty Ltd - ABN 69 079 137 518)
- Telephone and internet banking
- EFTPOS and ATM access
- Direct debit requests
- ePay
- SMS One Time Password

Please refer to the Summary of Accounts & Availability of Access Facilities & Transaction Limits brochure for available account types, the conditions applying to each account type and the access methods attaching to each account type.

Opening An Account

You will need to become a member of the credit union before we can issue the Warwick Credit Union Account and Access Facility to you. To become a member customer, you will need to:

- complete an application; and
- subscribe for a share in the Credit Union.

The share is a member share. Please note that your share is not transferrable.

Proof Of Identity Required

The law requires us to verify your identity when you open an account or the identity of any person you appoint as a signatory to your account.

In most cases you can prove your identity by showing us one of the following photo identity documents:

- a Photo card (NSW only)
- a State or Territory drivers licence or proof of age card
- a current Australian passport or one that has expired within the last 2 years
- a photo drivers licence issued by a foreign government
- a passport issued by a foreign government, the United Nations or a UN agency
- a national ID card, with photo and signature, issued by a foreign government, the United Nations or UN agency

If you do not have a photo ID please contact us to discuss what other forms of identification may be acceptable.

The law does not allow you to open an account using an alias without you also giving us all the other names that you are commonly known by.

If you want to appoint a signatory to your account, the signatory will also have to provide proof of identity, as above.

What Accounts Can I Open?

When we issue you with the Warwick Credit Union Account and Access Facility, you have access to the Choice Account. You can then open other accounts as needed. Please first check the Summary of Accounts & Availability of Access Facilities & Transaction Limits brochure for the different account types available, any special conditions for opening, and the features and benefits of each account type.

Joint Accounts

A joint account is an account held by two or more persons. The important and legal consequences of holding a joint account are:

- the right of survivorship – when one joint holder dies, the surviving joint holders automatically take the deceased joint holder's interest in the account (for business accounts different rules may apply - See note below)
- Joint and several liability - if the account is overdrawn each joint holder is individually liable for the full amount owing.
- You can operate a joint account on an 'all to sign' or 'either/or to sign' basis
- 'All to sign' means all joint holders must sign withdrawal slips, cheques etc.
- 'Either/or to sign' means any one joint holder can sign withdrawals slips, cheques etc.

All joint holders must consent to the joint account being operated on an 'either/or to sign' basis. However, any one joint account holder can cancel this arrangement, making it 'all to sign'.

Note: The right of survivorship does not automatically apply to joint business accounts, such as partnerships. A partner's interest in a business joint account would normally pass to beneficiaries nominated in the partner's will or next-of-kin if there is no will.

If you are operating a business partnership joint account, you should obtain your own legal advice to ensure your wishes are carried out.

Where either a Visa Debit Card or cheque book is issued on a joint account, all parties will be liable for any purchases made with the card or cheque on that account.

Where Internet Banking/Phone Banking accesses have been issued on a joint account, all parties to the account will be liable for any transactions made using Internet Banking/Phone Banking codes.

If we became aware of a dispute involving joint account holders, we may suspend transactions to the account pending clarification of how the joint parties want to operate on the account and authority from all parties to the account.

Trust Accounts

You can open an account as a trust account.

However:

- we are not taken to be aware of the terms of the trust;
- we do not have to verify that any transactions you carry out on the account are authorised by the trust.

You agree to indemnify us against any claim made upon us in relation to, or arising out of that trust.

Our Fees And Charges

Please refer to the Schedule of Fees brochure for current fees and charges. We will debit your primary operating account for all applicable fees and charges, including government taxes and charges.

We may vary fees or charges from time to time. Please see the section Notifying Changes for details of how and when we will notify you of these changes.

What Interest Can I Earn On My Account

Our Interest Rates brochure provides information about our current deposit and savings interest rates. Our website has all information about our current deposit and savings interest rates. We may vary deposit or savings interest rates at any time on all deposit accounts. Such variations will not impact any existing term deposit funds until the then current maturity date.

Our *Schedule of Fees & Summary of Accounts, Availability of Access Facilities & Transaction Limits* brochures disclose how we calculate and credit interest to your account.

What Are The Taxation Consequences?

Interest earned on an account is income and may be subject to income tax.

Disclosing Your Tax File Number (TFN)

When you apply for the Warwick Credit Union Account and Access Facility we will ask you whether you want to disclose your Tax File Number or exemption. If you disclose it, we note your TFN against any account you activate. You do not have to disclose your TFN to us. If you do not, we will deduct withholding tax from interest paid on the account at the highest marginal rate.

For a joint account, each holder must quote their TFN and/or exemptions, otherwise withholding tax applies to all interest earned on the joint account.

For business accounts, you need only quote your ABN instead of a TFN.

Third Party Authority For Account Access

You can authorise us at any time to allow another person to operate on your accounts. However, we will need to verify this person's identity before they can access your account.

You can specify which of your accounts under the Credit Union Account & Access Facility you give the authorised person authority to operate on.

You are responsible for all transactions your authorised person carries out on your account.

You should ensure that the person you authorise to operate on your account is a person you trust fully.

You may revoke the authorised person's authority at any time by giving us written notice.

Making Deposits To Your Account

You can make deposits to the account:

- by cash or cheque at any branch,
- by direct credit eg. from your employer for wages or salary – please note that we can reverse a direct credit if we do not receive full value for the direct credit,
- by transfer from another account with us,
- by transfer from another financial institution by cash or cheque at a National Australia Bank branch using a specially encoded deposit book,
- by cash or cheque at any National Australia Bank branch unless otherwise indicated in the Summary of Accounts & Availability of Access Facilities brochure.

Deposits Using Electronic Equipment

We are responsible for a deposit into a facility received by our electronic equipment or a device, from the time you complete the deposit, subject to verification of the amount or amounts deposited.

If there is a discrepancy between the amount recorded as being deposited by the electronic equipment and the amount recorded by us as being received, we will contact you as soon as practicable about the difference.

Note that electronic deposits may not be processed on the same day.

Depositing Cheques Drawn On Australian Banks

You can only access the proceeds of a cheque when it has cleared. This usually takes 3 business days. However, you can ask us for a special clearance for which we may charge a fee.

Please refer to our *Schedule of Fees* brochure for our current fee for a special clearance.

Withdrawing Or Transferring From The Account

You can make withdrawals from the account:

- over the counter at any branch
- by direct debit
- by customer cheque, if your account is linked to a customer cheque book
- by telephone or internet banking
- by BPAY and Osko to make a payment to a biller
- at selected ATM's, if your account is linked to a Visa Card
- via selected EFTPOS terminals, if your account is linked to a Visa Card (note that merchants may impose restrictions on withdrawing cash)
- by purchasing a Financial Institution cheque from us for a fee. This is a cheque the Credit Union draws payable to the person you nominate, unless otherwise indicated in the *Summary of Accounts & Availability of Access Facilities* brochure.

We will require acceptable proof of your identity before processing withdrawals in person or acceptable proof of your authorisation for other types of withdrawal transactions.

Debiting Transactions Generally

We will debit transactions received on any one day in the order we determine in our absolute discretion. Transactions will not necessarily be processed to your account on the same day.

We have the right to decline to accept your authorisation for any transaction if we are uncertain for any reason of the authenticity or validity of the authorisation or your legal capacity to give the authorisation. We will not be liable to you or any other person for any loss or damage which you or such other person may suffer as a result of our action.

If you close your account before a transaction debit is processed, you will remain liable for any dishonour fees incurred in respect of that transaction.

Over The Counter Withdrawals

Generally, you can make over-the-counter withdrawals in cash or by buying a Credit Union Financial Institution cheque. Please check:

- *The Summary of Accounts & Availability of Access Facilities & Transactions Limits* brochure for any restrictions on withdrawals applying to certain accounts;
- *The Schedule of Fees & Summary of Accounts & Availability of Access Facilities & Transaction Limits* brochure for any applicable daily cash withdrawal limits and for other transaction limits.

Withdrawals Using Our Financial Institution Cheques

This is a cheque the Credit Union draws payable to the person you nominate. You can purchase a Financial Institution Cheque from us for a fee: see the *Schedule of Fees* Brochure.

If a Financial Institution Cheque is lost or stolen you can ask us to stop payment on it. You will need to complete a form of request, giving us evidence of the loss or theft of the cheque.

You will also have to give us an indemnity – the indemnity protects us if someone else claims that you wrongfully authorised us to stop the cheque.

We cannot stop payment on our Financial Institution Cheque if you used the cheque to buy goods or services and you are not happy with them. You must seek compensation or a refund directly from the provider of the goods or services. You should contact a Government Consumer Agency if you need help.

Transaction Limits

We limit the amount of daily withdrawals or payments you may make using electronic methods, either generally or in relation to a particular facility. These transaction limits are set out in the *Schedule of Fees & Summary of Accounts, Availability of Access & Transaction Limits* brochures.

Please note that merchants, billers or other financial institutions may impose additional restrictions on the amount of funds that you can withdraw, pay or transfer.

We may also require you to apply for new transaction limits if you change any pass code. We will require you to provide proof of identity that satisfies us. We may reduce transaction limits to zero for security reasons.

Overdrawing An Account

You must keep sufficient cleared funds in your account to cover your cheque, direct debit and electronic transactions. If you do not, we can dishonour the transaction and charge dishonour fees: see the Schedule of Fees brochure.

Alternatively, we can honour the transaction and overdraw your account. We will charge you

- interest at our current overdraft rate, calculated on the daily closing balance, or
- a fee for each day (or part of a day) your account is overdrawn: see the *Schedule of Fees* brochure.

'Cleared funds' means the proceeds of cheque deposits paid into your account once the cheque is cleared, cash deposits and direct credits.

Sweep Facility

At our discretion you may nominate an account (the first account) which must have either a nominated minimum balance or to be maintained in credit. You may then nominate a second account, which authorises us to transfer, automatically, sufficient funds to keep the first account at its nominated balance or in credit. However, we are not obliged to transfer funds if there are insufficient funds in the second account to draw on.

Account Statements

We will send you account statements at least every 6 months. You can ask us for an account statement at any time. We may charge a fee for providing additional statements or copies. Refer to the Schedule of Fees brochure. We can also provide your statements electronically. Please ask us about this facility. We recommend that you check your account statement as soon as you receive it.

Immediately notify us of any unauthorised transactions or errors. Please refer to How to Contact Us on page 2 for our contact details.

What Happens If I Change My Name Or Address?

We recommend that if you change your name or address, you let us know immediately.

Dormant Accounts

If no transactions are carried out on your account for at least 12 months (other than transactions initiated by the Credit Union, such as crediting interest or debiting fees and charges) we may write to you asking if you want to keep the account open. If you do not reply we will treat your account as dormant. Once your account becomes dormant, we may:

- charge a dormancy fee;
- stop paying interest or reduce the amount of interest

If your account remains dormant for 7 years, we have a legal obligation to remit balances exceeding \$500 to the Australian Securities and Investment Commission as unclaimed money.

Account Combination

If you have more than one account with us, we may apply a deposit balance in any account to any other deposit account in the same name which is overdrawn.

When you cease to be a customer, we may combine all your accounts (whether deposit or loan accounts) you have with us provided the accounts are all in the same name.

We will not combine accounts if to do so would breach the Code of Operation for Centrelink Direct Credit Payments and any successor Code (both when enforcing indebtedness owed to us and, to the law permits, when facilitating enforcement by a third party judgement creditor).

We will give you written notice promptly after exercising any right to combine your accounts.

Closing Accounts And Cancelling Access Facilities

You can close the Warwick Credit Union Account and Access Facility at any time. However, you will have to surrender your customer cheque book and any access card at the time. We may defer closure and withhold sufficient funds to cover payment of outstanding cheque, electronic transactions and fees, if applicable.

You can cancel any access facility on request at any time. We can:

- close the Credit Union Account and Access Facility in our absolute discretion, by giving you at least 14 days' notice and paying you the balance of your account; or
- cancel any access facility for security reasons or if you breach these Conditions of Use.

Notifying Changes To Fees, Charges, Interest Rates And Other Information

We may change fees, charges, interest rates and other conditions at any time.

The following table sets out how we will notify you of any change.

Type of Change	Notice

<i>Adding a new fee or charge</i>	<i>20 days</i>
<i>Reducing the number of fee-free transactions permitted on your account</i>	<i>20 days</i>

<i>Changing the method by which interest is calculated</i>	<i>20 days</i>
<i>Changing the circumstances when interest is credited to your account</i>	<i>20 days</i>
<i>Increasing your liability for losses relating to ePayments (see the ePayments Conditions of Use Section 3 on page 13 for a list of ePayments)</i>	<i>20 days</i>
<i>Imposing, removing or changing any periodic transaction limit</i>	<i>20 days</i>
<i>Changing any other term or condition</i>	<i>When we next communicate with you</i>

We may use various methods, and combinations of methods, to notify you of these changes, such as:

- notification by letter;
- notification on or with your next statement of account;
- advertisements in the local or national media;
- notification on our website.

However, we will always select a method or methods appropriate to the nature and extent of the change, as well as the cost effectiveness of the method of notification.

How We Send Notices & Statements

We may send you notices and statements:

- by post, to the address recorded in our records or to a mailing address you nominate;
- by fax;
- by email;
- by advertisement in the media, for some notices only.

If you agree, we may, instead of sending you a notice or statement, post notices or statements to our website for you to retrieve. We will tell you when information is available for you to retrieve, either at the time or on setting up a facility that will have regular posting to the website. You can change your email address, or revert to receiving paper notices or statements, at any time.

Complaints

We have a dispute resolution system to deal with any complaints you may have in relation to the Warwick Credit Union Account and Access Facility or transactions on the account. Our dispute resolution policy requires us to deal with any complaint efficiently, speedily and sympathetically.

If you are not satisfied with the way in which we resolve your complaint, or if we do not respond speedily, you may refer the complaint to our external dispute resolution centre.

If you want to make a complaint, contact our staff at any branch and tell them that you want to make a complaint. Our staff have a duty to deal with your complaint under our dispute resolution policy. Our staff must also advise you about our complaint handling process and the timetable for handling your complaint. We also have an easy to read guide to our dispute resolution system available to you on request.

Customer Chequing

Customer chequing is a facility which allows you to make payments by cheque. We will issue you with a cheque book and authorise you to draw cheques on our account at the National Australia Bank or another Bank as we choose. We will debit your account for the value of cheques you draw.

If you have insufficient funds in your nominated account we may instruct the Bank to dishonour your cheque. However, we have the discretion to allow the cheque to be paid and to overdraw your account for this purpose. If you overdraw your account, we will charge you interest and fees. Please refer to the section *Overdrawing An Account* on page 9.

We may not give you access to customer chequing if your banking history with the Credit Union is not satisfactory or if you are under 18 years of age.

Direct Debit

You can authorise a participating biller to debit amounts from your account, as and when you owe those amounts to the biller. The biller will provide you with a Direct Debit Request (DDR) Service Agreement for you to complete and sign to provide them with this authority.

To cancel the DDR Service Agreement, you can contact either the biller or us. If you contact us we will promptly stop the facility. We suggest that you also contact the biller.

If you believe a direct debit initiated by a biller is wrong you should contact the biller to resolve the issue. Alternatively, you may contact

us. If you give us the information we require we will forward your claim to the biller. However, we are not liable to compensate you for your biller's error.

If you set up the payment on your Visa debit card, please contact us directly about unauthorised or irregular debits.

We can cancel your direct debit facility, in our absolute discretion, if 3 consecutive direct debit instructions are dishonoured. If we do this, billers will not be able to initiate a direct debit from your account under their DDR Service Agreement. Under the terms of their DDR Service Agreement, the biller may charge you a fee for each dishonour of their direct debit request.

PayPal

When you use PayPal you are authorising PayPal to debit amounts from your account as a biller under Direct Debit. Please note that:

- you are responsible for all PayPal debits to your account
- if you dispute a PayPal debit, you can contact PayPal directly or ask us to do so
- we are not responsible for compensating you for any disputed PayPal debit, or for reversing any disputed PayPal debit to your account
- if you want to cancel your direct debit arrangement with PayPal, you can contact PayPal directly or ask us to do so
- when you ask us to pass on a disputed transaction to PayPal, or you request to cancel your direct debit arrangement with PayPal, we will do so as soon as practicable but we are not responsible if PayPal fails to respond as soon as possible or at all.

Other third party payment services may operate in a similar way to PayPal.

Electronic Access Facilities And Epayments Conditions Of Use

SECTION 1 - Information About Our Epayment Facilities

You should follow the guidelines in the box below to protect against unauthorised use of your access card and pass code. These guidelines provide examples of security measures only and will not determine your liability for any losses resulting from unauthorised ePayments. Liability for such transactions will be determined in accordance with the ePayments Conditions of Use and the ePayments Code.

Important Information You Need to Know

Before Using a Device to Make Electronic Payments

- Sign the access card as soon as you receive it.
- Familiarise yourself with your obligations to keep your access card and pass codes secure.
- Familiarise yourself with the steps you have to take to report loss or theft of your access card, BPAY® or telephone or internet banking.
- Immediately report lost, theft or unauthorised use.
- If you change a pass code, do not select a pass code which represents your birth date or a recognisable part of your name. Never write the pass code on the access card
- Never write the pass code PIN on anything which is kept with or near the access card
- Never lend the access card to anybody
- Never tell or show the pass code to another person
- Use care to prevent anyone seeing the pass code being entered on a device
- Keep a record of the VISA card number and the VISA Card Hotline telephone number for your area with your usual list of emergency telephone numbers
- Check your statements regularly for any unauthorised use
- Immediately notify us when you change your address
- ALWAYS access the telephone banking or internet banking service only using the OFFICIAL phone numbers and URL addresses
- If accessing internet banking on someone else's PC, laptop, tablet or mobile phone, ALWAYS DELETE your browsing history.
- ALWAYS REJECT any request to provide or to confirm details of your pass code. We will NEVER ask you to provide us with these details.

If you fail to ensure the security of your access card, access facility and pass codes you may increase your liability for unauthorised transaction.

These ePayment Conditions of Use govern all electronic transactions made using any one of our access cards or facilities, listed below:

- Visa Card

- BPAY
- Osko Payments
- Internet Banking
- Telephone Banking
- Mobile Banking

You can use any of these electronic access facilities to access an account, as listed in the *Summary of Accounts & Availability of Access Facilities* brochure.

Visa Card

Visa Card allows you to make payments at any retailer displaying the **Visa Card logo**, anywhere in the world.

You can also withdraw cash from your account, anywhere in the world, using an ATM displaying the **Visa Card logo**. We will provide you with a PIN to use with your Visa Card. Visa Card also allows you:

- check your account balances;
- withdraw cash from your account;
- transfer money between accounts
- deposit cash or cheques into your account (at select ATMs only).

We may choose not to give you a Visa Card if your banking history with the Credit Union is not satisfactory or if you are under 18 years of age.

Important Information about Chargebacks for VISA Card.

If you believe a Visa Card transaction was:

- for goods or services and the merchant did not deliver them; or
- for goods and services which did not match the description provided by the merchant,

then you can ask us to 'chargeback' the transaction, by reversing the payment to the merchant's financial institution. You can do so by telling us within 30 days after the date of the statement which shows the transaction and providing us with any information we may require.

You are not able to reverse a transaction authenticated using Verified by Visa unless we are liable as provided in the ePayments Conditions of Use.

You should inform us as soon as possible if you become aware of circumstances which might entitle you to a chargeback and let us have the cardholder's copy of the Visa transaction receipt in question.

Digital Wallet

You may load your Visa Card on to your mobile phone in a digital wallet app. Use of the Visa Card Details, via the digital wallet, is governed by these Conditions of Use.

The Digital Wallet Provider is responsible for the function of the Digital Wallet, not us.

When you load the Card into the Digital Wallet, there is a sharing of your personal information between us and the Digital Wallet Provider and between you and the Digital Wallet Provider.

Important Information you need to know when using your Digital Wallet on a Mobile Phone.

SECTION 4. When You Are Not Liable For Loss

4.1. You are not liable for loss arising from an unauthorised transaction if the cause of the loss is any of the following:

- (a) fraud or negligence by our employee or agent, a third party involved in networking arrangements, or a merchant or their employee or agent
 - (b) a device, identifier or pass code which is forged, faulty, expired or cancelled
 - (c) a transaction requiring the use of a device and/or pass code that occurred before the user received the device and/or pass code (including a reissued device and/or pass code)
 - (d) a transaction being incorrectly debited more than once to the same facility
 - (e) an unauthorised transaction performed after we have been informed that a device has been misused, lost or stolen, or the security of a pass code has been breached.
- 4.2. You are not liable for loss arising from an unauthorised transaction that can be made using an identifier without a pass code or device. Where a transaction can be made using a device, or a device and an identifier, but does not require a pass code, you are liable only if the user unreasonably delays reporting the loss or theft of the device.
- 4.3. You are not liable for loss arising from an unauthorised transaction where it is clear that a user has not contributed to the loss.
- 4.4. In a dispute about whether a user received a device or pass code:
- (a) there is a presumption that the user did not receive it, unless we can prove that the user did receive it
 - (b) we can prove that a user received a device or pass code by obtaining an acknowledgement of receipt from the user
 - (c) we may not rely on proof of delivery to a user's correct mailing or electronic address as proof that the user received the device or pass code.

SECTION 5. When You Are Liable For Loss

- 5.1. If Section 4 does not apply, you may only be made liable for losses arising from an unauthorised transaction in the circumstances specified in this Section 5.
- 5.2. Where we can prove on the balance of probability that a user contributed to a loss through fraud, or breaching the pass code security requirements in Section 6:
- (a) you are liable in full for the actual losses that occur before the loss, theft or misuse of a device or breach of pass code security is reported to us
 - (b) you are not liable for the portion of losses:
 - (i) incurred on any one day that exceeds any applicable daily transaction limit
 - (ii) incurred in any period that exceeds any applicable periodic transaction limit
 - (iii) that exceeds the balance on the facility, including any pre-arranged credit
 - (iv) incurred on any facility that we and you had not agreed could be accessed using the device or identifier and/or pass code used to perform the transaction.
- 5.3. Where:
- (a) more than one pass code is required to perform a transaction; and
 - (b) we prove that a user breached the pass code security requirements in Section 6 for one or more of the required pass codes, but not all of the required pass codes you are liable under clause 5.2 only if we also prove on the balance of probability that the breach of the pass code security requirements under Section 6 was more than 50% responsible for the losses, when assessed together with all the contributing causes.
- 5.4. You are liable for losses arising from unauthorised transactions that occur because a user contributed to losses by leaving a card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM.
- Note: Reasonable safety standards that mitigate the risk of a card being left in an ATM include ATMs that capture cards that are not removed after a reasonable time and ATMs that require a user to swipe and then remove a card in order to commence a transaction.*
- 5.5. Where we can prove, on the balance of probability, that a user contributed to losses resulting from an unauthorised transaction by unreasonably delaying reporting the misuse, loss or theft of a device, or that the security of all pass codes has been breached, you:
- (a) are liable for the actual losses that occur between:
 - (i) when the user became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen device, and
 - (ii) when the security compromise was reported to us
 - (b) are not liable for any portion of the losses:
 - (i) incurred on any one day that exceeds any applicable daily transaction limit
 - (ii) incurred in any period that exceeds any applicable periodic transaction limit
 - (iii) that exceeds the balance on the facility, including any pre-arranged credit
 - (iv) incurred on any facility that we and you had not agreed could be accessed using the device and/ or pass code used to perform the transaction.

Note: You may be liable under clause 5.5 if you were the user who contributed to the loss or if a different user contributed to the loss.

- 5.6. Where a pass code was required to perform an unauthorised transaction, and clauses 5.2-5.5 do not apply, you are liable for the least of:
- (a) \$150, or a lower figure determined by us
 - (b) the balance of the facility or facilities which we and you have agreed can be accessed using the device and/or pass code, including any prearranged credit
 - (c) the actual loss at the time that the misuse, loss or theft of a device or breach of pass code security is reported to us excluding that portion of the losses incurred on any one day which exceeds any relevant daily transaction or other periodic transaction limit.

5.7. In deciding whether on the balance of probabilities we have proved that a user has contributed to losses under clauses 5.2 and 5.5:

- (a) we must consider all reasonable evidence, including all reasonable explanations for the transaction occurring
- (b) the fact that a facility has been accessed with the correct device and/or pass code, while significant, does not, of itself, constitute proof on the balance of probability that a user contributed to losses through fraud or a breach of the pass code security requirements in Section 6
- (c) the use or security of any information required to perform a transaction that is not required to be kept secret by users (for example, the number and expiry date of a device) is not relevant to a user's liability.

5.8. If a user reports an unauthorised transaction on a credit card account, debit card account or charge card account we will not hold you liable for losses under Section 5 for an amount greater than your liability if we exercised any rights we had under the rules of the card scheme at the time the report was made, against other parties to the scheme (for example, charge-back rights).

This clause does not require us to exercise any rights we may have under the rules of the card scheme. However, we cannot hold you liable under this clause for a greater amount than would apply if we had exercised those rights.

SECTION 6. Pass Code Security Requirements

6.1. Section 6 applies where one or more pass codes are needed to perform a transaction.

6.2. A user must not:

- (a) voluntarily disclose one or more pass codes to anyone, including a family member or friend
- (b) where a device is also needed to perform a transaction, write or record pass code(s) on a device, or keep a record of the pass code(s) on anything:
 - (i) carried with a device
 - (ii) liable to loss or theft simultaneously with a device unless the user makes a reasonable attempt to protect the security of the pass code
- (c) where a device is not needed to perform a transaction, keep a written record of all pass codes required to perform transactions on one or more articles liable to be lost or stolen simultaneously, without making a reasonable attempt to protect the security of the pass code(s).

6.3. For the purpose of clauses 6.2(b)–6.2(c) a reasonable attempt to protect the security of a pass code record includes making any reasonable attempt to disguise the pass code within the record, or prevent unauthorised access to the pass code record, including by:

- (a) hiding or disguising the pass code record among other records
- (b) hiding or disguising the pass code record in a place where a pass code record would not be expected to be found
- (c) keeping a record of the pass code record in a securely locked container
- (d) preventing unauthorised access to an electronically stored record of the pass code record.

This list is not exhaustive.

6.4. A user must not act with extreme carelessness in failing to protect the security of all pass codes where extreme carelessness means a degree of carelessness that greatly exceeds what would normally be considered careless behaviour.

Note 1: An example of extreme carelessness is storing a user name and pass code for internet banking in a diary, BlackBerry or computer that is not password protected under the heading 'Internet banking codes'.

Note 2: For the obligations applying to the selection of a pass code by a user, see clause 6.5.

6.5. A user must not select a numeric pass code that represents their birth date, or an alphabetical pass code that is a recognisable part of their name, if we have:

- (a) specifically instructed the user not to do so
- (b) warned the user of the consequences of doing so.

6.6. The onus is on us to prove, on the balance of probability, that we have complied with clause 6.5

6.7. Where we expressly authorise particular conduct by a user, either generally or subject to conditions, a user who engages in the conduct, complying with any conditions, does not breach the pass code security requirements in Section 6.

6.8. Where we expressly or implicitly promote, endorse or authorise the use of a service for accessing a facility (for example, by hosting an access service on our electronic address), a user who discloses, records or stores a pass code that is required or recommended for the purpose of using the service does not breach the pass code security requirements in Section 6.

SECTION 7. Liability For Loss Caused By System Or Equipment Malfunction

- 7.1. You are not liable for loss caused by the failure of a system or equipment provided by any party to a shared electronic network to complete a transaction accepted by the system or equipment in accordance with a user's instructions.
- 7.2. Where a user should reasonably have been aware that a system or equipment provided by any party to a shared electronic network was unavailable or malfunctioning, our liability is limited to:
- (a) correcting any errors
 - (b) refunding any fees or charges imposed on the user.

SECTION 8. Network Arrangements

- (a) raise a complaint or dispute about the processing of a transaction with any other party to a shared electronic payments network

 - (ii) *advise the sending ADI whether there are sufficient funds in the account of the unintended recipient to cover the mistaken internet payment.*
- 9.4. If we are not satisfied that a mistaken internet payment has occurred, we will not take any further action.
- 9.5. We must inform you of the outcome of the reported mistaken internet payment in writing and within 30 business days of the day on which the report is made.
- 9.6. You may complain to us about how the report is dealt with, including that we and/or the receiving ADI:
- (a) are not satisfied that a mistaken internet payment has occurred
 - (b) have not complied with the processes and time frames set out in clauses 9.2 – 9.5, or as described in the box below.

- 9.8. If you are not satisfied with the outcome of a complaint, you are able to complain to our external dispute resolution scheme provider.

Note: If we are unable to return funds to you because the unintended recipient of a mistaken internet payment does not cooperate, you can complain to our external dispute resolution scheme provider.

19.3. We cannot effect your BPAY instructions if you do not give us all the specified information or if you give us inaccurate information.

Please note that, legally, the receipt by a biller of a mistaken or erroneous payment does not necessarily discharge, wholly or in part, the underlying debt you owe that biller.

SECTION 20. Processing BPAY Payments

20.1. We will attempt to make sure that your BPAY payments are processed promptly by participants in BPAY, and you must tell us promptly if:

- (a) you become aware of any delays or mistakes in processing your BPAY payment;
- (b) you did not authorise a BPAY payment that has been made from your account; or
- (c) you think that you have been fraudulently induced to make a BPAY payment.

Please keep a record of the BPAY receipt numbers on the relevant bills

202. A BPAY payment instruction is irrevocable.

203. Except for future-dated payments you cannot stop a BPAY payment once you have instructed us to make it and we cannot reverse it.

204. We will treat your BPAY payment instruction as valid if, when you give it to us, you use the correct access method.

205. You should notify us immediately if you think that you have made a mistake (except for a mistake as to the amount you meant to pay)

Please note that you must provide us with written consent addressed to the biller who received that BPAY payment. If you do not give us that consent, the biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY payment.

206. A BPAY payment is treated as received by the biller to whom it is directed:

(a) on the date you direct us to make it, if we receive your direction by the cut off time on a banking business day, that is, a day in Sydney or Melbourne when banks can effect settlements through the Reserve Bank of Australia; and

(b) otherwise, on the next banking business day after you direct us to make it.

(c) Please note that the BPAY payment may take longer to be credited to a biller if you tell us to make it on a Saturday, Sunday or a public holiday or if another participant in BPAY does not process a BPAY payment as soon as they receive its details.

207. Notwithstanding this, a delay may occur processing a BPAY payment if:

(a) there is a public or bank holiday on the day after you instruct us to make the BPAY payment;

(b) you tell us to make a BPAY payment on a day which is not a banking business day or after the cut off time on a banking business day; or

(c) a biller, or another financial institution participating in BPAY, does not comply with its BPAY obligations.

208. If we are advised that your payment cannot be processed by a biller, we will:

(a) advise you of this;

(b) credit your account with the amount of the BPAY payment; and

(c) take all reasonable steps to assist you in making the BPAY payment as quickly as possible.

209. You must be careful to ensure you tell us the correct amount you wish to pay. If you make a BPAY payment and later discover that:

(a) the amount you paid was greater than the amount you needed to pay you must contact the biller to obtain a refund of the excess; or

(b) the amount you paid was less than the amount you needed to pay you can make another BPAY payment for the difference between the amount you actually paid and the amount you needed to pay.

2010. If you are responsible for a mistaken BPAY payment and we cannot recover the amount from the person who received it within 20 banking business days of us attempting to do so, you will be liable for that payment.

SECTION 21. Future-Dated BPAY Payments

Please note that this is an optional facility depending on whether we offer it.

21.1. You may arrange BPAY payments up to 60 days in advance of the time for payment. If you use this option you should be aware of the following:

(a) You are responsible for maintaining, in the account to be drawn on, sufficient cleared funds to cover all future-dated BPAY payments (and any other drawings) on the day(s) you have nominated for payment or, if the account is a credit facility, there must be sufficient available credit for that purpose.

(b) If there are insufficient cleared funds or, as relevant, insufficient available credit, the BPAY payment will not be made and you may be charged a dishonour fee.

(c) You are responsible for checking your account transaction details or account statement to ensure the future-dated payment is made correctly.

(d) You should contact us if there are any problems with your future-dated payment.

(e) You must contact us if you wish to cancel a future-dated payment after you have given the direction but before the date for payment. You cannot stop the BPAY payment on or after that date.

SECTION 22. Consequential Damage For BPAY Payments

22.1. This clause does not apply to the extent that it is inconsistent with or contrary to any applicable law or code of practice to which we have subscribed. If those laws would make this clause illegal, void or unenforceable or impose an obligation or liability which is prohibited by those laws or that code, this clause is to be read as if it were varied to the extent necessary to comply with those laws or that code or, if necessary, omitted.

22.2. We are not liable for any consequential loss or damage you suffer as a result of using BPAY, other than loss due to our negligence or in relation to any breach of a condition or warranty implied by the law of contracts for the supply of goods and services which may not be excluded, restricted or modified at all, or only to a limited extent.

SECTION 23. Using OSKO

23.1 You can use Osko to make payments from those accounts that have the Osko facility:

- (a) make an Osko payment
- (b) make scheduled and recurring Osko payments
- (c) receive payment reminders
- (d) pay bills bearing the Osko logo from those accounts that have the Osko facility.

23.2 When you tell us to make an Osko payment you must tell us the payee's PayID or the details of the payee's account, the amount to be paid and the account from which the amount is to be paid.

23.3 We cannot effect your Osko instructions if you do not give us all the specified information or if you give us inaccurate information.

SECTION 24. Processing OSKO Payments

24.1 We will attempt to make sure that your Osko payments are processed promptly by participants in Osko, and you must tell us promptly if:

- (a) you become aware of any delays or mistakes in processing your Osko payment;
- (b) you did not authorise any Osko payment that has been made from your account; or
- (c) you think that you have been fraudulently induced to make an Osko payment

24.2 An Osko payment instruction is irrevocable

24.3. Except for scheduled and recurring Osko payments, you cannot stop an Osko payment once you have instructed us to make it and we cannot reverse it.

24.4 We will treat your Osko payment instruction as valid if, when you give it to us, you use the correct access method.

24.5 You should notify us immediately if you think that you have made a mistake (except for a mistake as to the amount you meant to pay).

24.6 If we are advised that your payment cannot be processed by a biller, we will:

- (a) advise you of this
- (b) credit your account with the amount of the Osko payment; and
- (c) take all reasonable steps to assist you in making the Osko payment as quickly as possible.

SECTION 25. Scheduled and Recurring OSKO Payments

Please note that this is an optional facility depending on whether we offer it.

You may schedule Osko payments up to 60 days in advance of the time for payment and you can also schedule recurring Osko payments. If you use this option you should be aware of the following:

- (a) you are responsible for maintaining, in the account to be drawn on, sufficient cleared funds to cover all scheduled and recurring Osko payments (and any other drawings) on the day(s) you have nominated for payment or, if the account is a credit facility, there must be sufficient available credit for that purpose;
- (b) if there are insufficient cleared funds or, as relevant, insufficient available credit, the Osko payment will not be made and you may be charged a dishonour fee;
- (c) you are responsible for checking your account transaction details or account statement to ensure that the scheduled or recurrent Osko payment is made correctly;
- (d) you should contact us if there are any problems with your scheduled or recurrent Osko payments;
- (e) you must contact us if you wish to cancel a scheduled or recurrent Osko payment after you have given the direction but before the date for payment

SECTION 26. Regular Payment Arrangements

26.1. You should maintain a record of any regular payment arrangement that you have entered into with a Merchant.

26.2. To change or cancel any regular payment arrangement you should contact the Merchant or us at least 15 days prior to the next scheduled payment. If possible you should retain a copy of this change/cancellation request.

26.3. Should your card details be changed (for example if your Visa Card was lost, stolen or expired and has been replaced) then you must request the Merchant to change the details of your existing regular payment arrangement to ensure payments under that arrangement continue. If you fail to do so your regular payment arrangement may not be honoured, or the Merchant may stop providing the goods and/or services.

26.4. Should your Visa Card or your accounts with us be closed for any reason, you should immediately contact the Merchant to change or cancel your regular payment arrangement, as the Merchant may stop providing the goods and/or services.

SECTION 27. Authority to Recover Mistaken or Misdirected Payments

Where we and the sending financial institution determine that an NPP Payment made to your account is either a Mistaken Payment or a Misdirected Payment, we may, without your consent, and subject to complying with any other applicable Terms and Conditions, deduct from your account, an amount up to the original amount of the Mistaken Payment or Misdirected Payment.

We will notify you if this occurs.
